4 Boston University School of Public Health, Lexington, MA, USA

CORRESPONDING AUTHOR: christoph.meier@usb.ch
Supplementary Table: Read codes used to identify patients with depression

**Depressive episode**
- E112.00  Single major depressive episode
- Eu32.00  Depressive episode
- Eu32.11  Single episode of depressive reaction
- Eu32.12  Single episode of psychogenic depression
- Eu32.13  Single episode of reactive depression

**Mild depressive episode**
- E112100  Single major depressive episode, mild
- Eu32400  Mild depression
- Eu32000  Mild depressive episode
- Eu32500  Major depression mild
- Eu41211  Mild anxiety depression

**Moderate depressive episode**
- E112200  Single major depressive episode, moderate
- Eu32100  Moderate depressive episode
- Eu32600  Major depression moderately severe

**Severe depressive episode**
- E112300  Single major depressive episode, severe, without psychosis
- E112.11  Agitated depression
- E135.00  Agitated depression
- Eu32211  Single episode agitated depressn w'out psychotic symptoms
- Eu32212  Single episode major depression w'out psychotic symptoms
- Eu32213  Single episode vital depression w'out psychotic symptoms
- Eu32200  Severe depressive episode without psychotic symptoms
- Eu32214  Vital depression, recurrent without psychotic symptoms
- Eu32700  Major depression severe without psychotic symptoms
- E112400  Single major depressive episode, severe, with psychosis
- Eu32300  Severe depressive episode with psychotic symptoms
- Eu32311  Single episode of major depression and psychotic symptoms
- Eu32312  Single episode of psychogenic depressive psychosis
- Eu32313  Single episode of psychotic depression
- Eu32314  Single episode of reactive depressive psychosis
- Eu32800  Major depression severe with psychotic symptoms

**Other depressive episodes**
- E11z200  Masked depression
- Eu32y12  Single episode of masked depression NOS
- Eu32y00  Other depressive episodes
- Eu32y11  Atypical depression

**Depressive episode, unspecified**
- E11z00  Single major depressive episode NOS
- E112000  Single major depressive episode, unspecified
- Eu32z00  Depressive episode, unspecified
- Eu32z11  Depression NOS
- Eu32z12  Depressive disorder NOS

**General**
- E2B.00  Depressive disorder NEC
- E2B1.00  Chronic depression
E112.12  Endogenous depression first episode (thought as genetic predisposition to suffer from depression)
E112.13  Endogenous depression first episode
E11y200  Atypical depressive disorder
E02y300  Drug-induced depressive state
E11z200  Masked depression
Eu33211  Endogenous depression without psychotic symptoms
Eu33311  Endogenous depression with psychotic symptoms
Eu32z13  Prolonged single episode of reactive depression
Eu33z11  Monopolar depression NOS
E135.00  Agitated depression
