Nationalism Reframed: Nationhood and the National Question ...
Nationalism Reframed is a theoretically and historically informed study of nationalism in Eastern Europe and the former Soviet Union. Rogers Brubaker develops an original account of the interlocking and opposed nationalisms of national minorities, the nationalizing states in which they live, and the external national homelands to which they are linked by external ties. He then analyzes contemporary nationalisms in historical and comparative perspective, tracing the parallels between the ...

The birthplace of the nation-state and modern nationalism at the end of the eighteenth century, Europe was supposed to be their graveyard at the end of the twentieth. Yet, far from moving beyond the nation-state, fin-de-siecle Europe has been moving back to the nation-state, most spectacularly with the disintegration of the Soviet Union, Yugoslavia, and Czechoslovakia into a score of nationally defined successor states. This massive reorganisation of political space along national lines has ...
Nationalism reframed: nationhood and the national ...  
6 Nationalism reframed nationalist stances characteristically involve a self-understanding in specifically "national" rather than merely "ethnic" terms, a demand for state recognition of their distinct ethnocultural nationality, and the assertion of certain collective, nationality-based cultural or political rights.
