# Narrative Review Checklist

| Section/Topic     | Item No | Item                                                                 | Reported on Page Number/Line Number | Reported on Section/Paragraph |
|-------------------|---------|----------------------------------------------------------------------|------------------------------------|------------------------------|
| **TITLE**         |         |                                                                      |                                    |                              |
| Title             | 1       | Identify the report as a Narrative Review or Literature Review.       | Page 1/Line 2-3                    | Title/Paragraph 1            |
| **ABSTRACT**      |         |                                                                      |                                    |                              |
| Structured summary| 2       | Provide a structured summary with the subsections as: Background and Objective, Methods, Key Content and Findings, Conclusions. | Page 2/Line 36-59                | Abstract/Paragraph 1        |
| **INTRODUCTION**  |         |                                                                      |                                    |                              |
| Rationale/background | 3     | Describe the rationale for the review in the context of what is already known. | Page 3-4/Line 66-112              | Introduction Paragraph 1    |
| Objectives        | 4       | Specify the key question(s) identified for the review topic.         | Page 4/Line 113-115               | Introduction Paragraph 1    |
| **METHODS**       |         |                                                                      |                                    |                              |
| Research selection| 5       | Specify the process for identifying the literature search (eg, years considered, language, publication status, study design, and databases of coverage). | NA                                | NA                           |
| **DISCUSSION/SUMMARY** |   |                                                                      |                                    |                              |
| Narrative         | 6       | Discuss: 1) research reviewed including fundamental or key findings, 2) limitations and/or quality of research reviewed, and 3) need for future research. | Page 4-11/Line 121-306            | Discussion/Paragraph 1-8    |
| Summary           | 7       | Provide an overall interpretation of the narrative review in the context of clinical practice for health professionals, policy development and implementation, or future research. | Page 12/Line 370-398             | Discussion/Paragraph 1-5    |
