| Topic                        | Item No | Checklist item description                                                                 | Reported on Page Number/Line Number | Reported on Section/Paragraph |
|------------------------------|---------|---------------------------------------------------------------------------------------------|-------------------------------------|-----------------------------|
| Title                        | 1       | The diagnosis or intervention of primary focus followed by the words "case report"        | Page1/Line1-2                       | Title/Paragraph1             |
| Key Words                    | 2       | 2 to 5 key words that identify diagnoses or interventions in this case report, including "case report" | Page2 /Line19-20                   | Keywords/Paragraph1          |
| Abstract (no references)     | 3a      | Introduction: What is unique about this case and what does it add to the scientific literature? | Page2 /Line5-6                     | Abstract/Paragraph1          |
|                              | 3b      | Main symptoms and/or important clinical findings                                             | Page2 /Line9-10                    | Abstract/Paragraph1          |
|                              | 3c      | The main diagnoses, therapeutic interventions, and outcomes                                 | Page2e /Line10-15                  | Abstract/Paragraph1          |
|                              | 3d      | Conclusion—What is the main “take-away” lesson(s) from this case?                          | Page2 /Line15-17                   | Abstract/Paragraph1          |
| Introduction                 | 4       | One or two paragraphs summarizing why this case is unique (may include references)         | Page3 /Line2-11                    | Introduction/Paragraph1      |
| Patient Information          | 5a      | De-identified patient specific information                                                   | Page4 /Line2                       | CP/Paragraph1                |
|                              | 5b      | Primary concerns and symptoms of the patient                                                 | Page4 /Line2-5                     | CP/Paragraph1                |
|                              | 5c      | Medical, family, and psycho-social history including relevant genetic information            | Page4 /Line5-18                    | CP/Paragraph1                |
|                              | 5d      | Relevant past interventions with outcomes                                                    | Page4 /Line5-7                     | CP/Paragraph1                |
| Clinical Findings            | 6       | Describe significant physical examination (PE) and important clinical findings             | Page4 /Line21-25                   | CP/Paragraph2,3              |
| Timeline                     | 7       | Historical and current information from this episode of care organized as a timeline        | Page5 /Line7-8, 25, 28             | CP/Paragraph3                |
| Diagnostic Assessment        | 8a      | Diagnostic testing (such as PE, laboratory testing, imaging, surveys).                     | Page4 /Line21-25                   | CP/Paragraph2,3              |
|                              | 8b      | Diagnostic challenges (such as access to testing, financial, or cultural)                  | Page4 /Line18-20                   | CP/Paragraph3,1              |
|                              | 8c      | Diagnosis (including other diagnoses considered)                                            | Page6 /Line5-11                    | CP/Paragraph4                |
|                              | 8d      | Prognosis (such as staging in oncology) where applicable                                    | Page6 /Line2-4                     | CP/Paragraph3                |
| Therapeutic Intervention     | 9a      | Types of therapeutic intervention (such as pharmacologic, surgical, preventive, self-care) | Page5 /Line25                      | CP/Paragraph3                |
|                              | 9b      | Administration of therapeutic intervention (such as dosage, strength, duration)             | Page5 /Line25                      | CP/Paragraph3                |
|                              | 9c      | Changes in therapeutic intervention (with rationale)                                        | Page6 /Line2-4                     | CP/Paragraph3                |
| Follow-up and Outcomes | 10a | Clinician and patient-assessed outcomes (if available) | Page 6 / Line 2-4 | CP/Paragraph 3 |
|------------------------|-----|---------------------------------------------------|------------------|----------------|
|                        | 10b | Important follow-up diagnostic and other test results | Page 6 / Line 8-11 | CP/Paragraph 4 |
|                        | 10c | Intervention adherence and tolerability (How was this assessed?) | Page 6 / Line 11-12 | CP/Paragraph 4 |
|                        | 10d | Adverse and unanticipated events | Page 6 / Line 11-12 | CP/Paragraph 4 |
| Discussion             | 11a | A scientific discussion of the strengths AND limitations associated with this case report | Page 6 / Line 6-8, 19-24 | Discussion/Paragraph 4,7 |
|                        | 11b | Discussion of the relevant medical literature with references | Page 6 / Line 19-24, 7-12 | Discussion/Paragraph 4,7 |
|                        | 11c | The scientific rationale for any conclusions (including assessment of possible causes) | Page 6 / Line 9-11 | Discussion/Paragraph 1 |
|                        | 11d | The primary “take-away” lessons of this case report (without references) in a one paragraph conclusion | Page 6 / Line 9-12 | Discussion/Paragraph 6 |
| Patient Perspective    | 12  | The patient should share their perspective in one to two paragraphs on the treatment(s) they received | Page 6 / Line 11-12 | CP/Paragraph 7 |
| Informed Consent       | 13  | Did the patient give informed consent? Please provide if requested | Yes ✓ | No ☐ |
