STATEMENT OF RETRACTION

WITHDRAWN:

Kalpana C, Menon V. Protective Effect of Curcumin on Circulatory Lipid Peroxidation and Antioxidant Status During Nicotine-Induced Toxicity. 2004, 14, 339–343

We were recently informed that the above article was published previously in another journal.

Informa Healthcare defines duplicate publication as an instance in which two or more papers publish the same work.

See reference below

Kalpana C, Menon V. Inhibition of nicotine-induced toxicity by curcumin and curcumin analog: a comparative study. J Med Food. 2004, 7, 467–71

In consequence we withdraw the article from Toxicology Mechanisms and Materials.

The Editors and publisher received, reviewed, and published the article in good faith. We prohibit the submission of, and publication of, articles which are under consideration or have been published elsewhere.
