Appendix 2 Questionnaire used to collect data about occupational safety practices towards COVID-19 and associated factors among Bule Hora University janitors, from November to December, 2021

Questionnaire ID __________

Name of the data collector ___________ Signature _________ Date ___/___/ 2021

Name of the supervisor ______________ Signature __________ Date ___/___/2021

| Part 1: Socio-demographic characteristics of Bule Hora University janitors, from November to December, 2021 |
|-------------------------------------------------|-------------------------------------------------|-------------------------------------------------|
| S/no | Question                                      | Response                                      | Remark |
|------|-----------------------------------------------|-----------------------------------------------|--------|
| 1.   | Age?                                          | _______years                                 |        |
| 2.   | Sex?                                          | 1=Female                                      |        |
|      |                                               | 2= Male                                      |        |
| 3.   | Educational status?                           | 1= No formal education                        |        |
|      |                                               | 2= Primary (up to grade 8)                    |        |
|      |                                               | 3= Secondary and above (grade 9-12)           |        |
| 4.   | Experience?                                   | 1= < 3 years                                  |        |
|      |                                               | 2= ≥ 3 years                                  |        |
| 5.   | Marital status?                               | 1= Single                                     |        |
|      |                                               | 2= married                                    |        |
|      |                                               | 3= Widowed                                    |        |
| 6.   | Religion?                                     | 1= protestant                                 |        |
|      |                                               | 2= orthodox                                   |        |
|      |                                               | 3= Muslim                                     |        |

Part 2: Source of information about COVID-19 among of janitors of Bule Hora University, form November to December, 2021
### Part 3: Availability of personal protective equipment to prevent COVID-19 transmission among janitors of Bule Hora University, from November to December, 2021

|   | Question                                                                 | 0 = No                      | 1 = Yes                  | Method                                    |
|---|---------------------------------------------------------------------------|----------------------------|--------------------------|-------------------------------------------|
| 7 | Source of information                                                    | 1= Social media             | 2= Google                | More than one answer is possible           |
|   |                                                                           | 3= Government media         | 4= Family/ friend        |                                           |

### Part 4: Administrative control characteristics of Bule Hora University Janitors to prevent COVID-19 transmission, from November to December, 2021

|   | Question                                                                 | 0 = No                      | 1 = Yes                  |
|---|---------------------------------------------------------------------------|----------------------------|--------------------------|
| 14| Presence of policy and protocol towards COVID-19 prevention              | 0= No                      | 1= Yes                   |
| 15| Training on COVID-19 prevention                                           | 0= No                      | 1= Yes                   |
