# Narrative Review Checklist

| Section/Topic   | Item No | Item                                                                 | Reported on Page Number/Line Number | Reported on Section/Paragraph |
|-----------------|---------|----------------------------------------------------------------------|-------------------------------------|------------------------------|
| **TITLE**       |         |                                                                      |                                     |                              |
| Title           | 1       | Identify the report as a Narrative Review or Literature Review.       | Page1/Line1                         | Title page/Paragraph1        |
| **ABSTRACT**    |         |                                                                      |                                     |                              |
| Structured summary | 2       | Provide a structured summary with the subsections as: objective, background, methods, conclusion (1). | Page1/Line26 | Abstract/Paragraph 1 |
| **INTRODUCTION**|         |                                                                      |                                     |                              |
| Rationale/background | 3       | Describe the rationale for the review in the context of what is already known. | Page2/Line17 | Introduction/Paragraph 1 |
| Objectives      | 4       | Specify the key question(s) identified for the review topic.         | Page2/Line35                        | Introduction/Paragraph 3    |
| **METHODS**     |         |                                                                      |                                     |                              |
| Research selection | 5       | Specify the process for identifying the literature search (eg, years considered, language, publication status, study design, and databases of coverage). | Page3/Line9 | Methods/Paragraph 1 |
| **DISCUSSION/SUMMARY**|         |                                                                      |                                     |                              |
| Narrative       | 6       | Discuss: 1) research reviewed including fundamental or key findings, 2) limitations and/or quality of research reviewed, and 3) need for future research. | Page3/Line17 | Cross-Field Ventilation/ Paragraph 1 |
| Summary         | 7       | Provide an overall interpretation of the narrative review in the context of clinical practice for health professionals, policy development and implementation, or future research. | Page10/Line35 | Conclusion/Paragraph 1 |
