The following corrections must be made due to errors that occurred during the production of this paper.

- On page 1 the references in the sentence ‘Since then \( \varphi \) junctions have been studied more and more intensively…’ should be [2, 3, 9–14].
- On page 1 the references in the sentence ‘Only recently, experimental evidence of a \( \varphi \) junction…’ should be [2, 11, 12].
- On page 1 the references in the sentence ‘On the other hand this \( \varphi \) junction concept…’ should be [11, 12, 15].
- Equation (23) should read

\[
I_{F, \text{dir}}(\phi) = 64\sqrt{2}d_F \kappa e^{-2\kappa L} F \sin \left( 2\kappa L + \frac{\pi}{4} \right) \sin \phi. \tag{23}
\]

- References [4], [25] and [27] should be written in the form
