Pre-Survey: Penn Contact Tracing Training

Please complete the survey below in advance of Penn Public Health's Contact Tracing Training on either Monday May 11 from 1:00-3:00pm or Tuesday May 12 from 6:00-8:00pm.

Thank you!

email

DEMOGRAPHICS

What zip code do you live in or spend the most time in?

What is your race?
- American Indian or Alaskan Native
- Asian
- Black or African American
- Native Hawaiian or Pacific Islander
- White
- Other
- Decline to answer

What is your gender identity?
- Male
- Female
- Another identity
- Decline to answer

Please describe your gender identity.

How old are you?

What languages do you speak? (I.e., in what languages do you feel comfortable having a conversation)
- English
- Spanish
- French
- Mandarin
- Cantonese
- Other

What other language(s) do you speak?

Are you currently a student?
- Yes
- No

In what program are you a student?

Are you currently retired?

- Yes
- No

What is your current field? (Check all that apply)

- Medicine
- Nursing
- Social Work
- Research Scientist
- Other

What is your field of work?

________________________________________________________________________

What are your career aspirations?

- Professional degree
- Healthcare
- Research
- Other

What are your career aspirations?

________________________________________________________________________

What category best describes your motivation for becoming a contact tracer? (check all that apply)

- I have a skillset that applies to this work
- I want to help mitigate the pandemic
- I am receiving credit in some way for participating (clinical hours, field work requirement met, etc)
- Other

Please describe your motivation for becoming a contact tracer.

________________________________________________________________________

Have you ever been diagnosed with COVID-19?

- Yes
- No
- Decline to answer

Do you know anyone who has been diagnosed with COVID-19?

- Yes
- No
- Decline to answer
How many people do you know who have been diagnosed with COVID-19?

- 1
- 2
- 3
- 4
- 5
- 6
- 7
- 8
- 9
- 10+
- Decline to answer

Do you know anyone who has died from COVID-19?

- Yes
- No
- Decline to answer

How many people do you know who have died from COVID-19?

- 1
- 2
- 3
- 4
- 5
- 6
- 7
- 8
- 9
- 10+
- Decline to answer

On a scale of 1-10, 1 being not at all concerned and 10 being very concerned, how concerned are you about personally becoming infected with COVID-19?

- 1
- 2
- 3
- 4
- 5
- 6
- 7
- 8
- 9
- 10
- Decline to answer

On a scale of 1-10 how concerned are you about personally becoming sick enough to require hospitalization for COVID-19?

- 1 (Not at all concerned)
- 2
- 3
- 4
- 5
- 6
- 7
- 8
- 9
- 10 (Very concerned)
- Decline to answer

How many people who are close to you do you worry about becoming sick enough to require hospitalization for COVID-19?

- 1 (Not at all concerned)
- 2
- 3
- 4
- 5
- 6
- 7
- 8
- 9
- 10 (Very concerned)
- Decline to answer
KNOWLEDGE QUESTIONS

What is the main goal of contact tracing?

What is a case?
- Any interviewee we call to survey about COVID-19
- An individual who has tested positive for the pathogen
- An individual who has encountered someone infected with the pathogen, and thus could have been exposed to the pathogen
- Any interviewee who agrees to provide us with information regarding their potential exposures to COVID-19 over the past two weeks

What is a contact?
- Any interviewee we call to survey about COVID-19
- An individual who has tested positive for the pathogen
- An individual who has encountered someone infected with the pathogen, and thus could have been exposed to the pathogen
- Any interviewee who agrees to provide us with information regarding their potential exposures to COVID-19 over the past two weeks

What is SARS-CoV-2 vs COVID-19?
- COVID-19 is a virus responsible for causing SARS-CoV-2
- SARS-CoV-2 is a virus responsible for causing COVID-19
- COVID-19 is a virus that emerged from the parent pathogen SARS-CoV-2
- The coronavirus is caused by COVID-19 and SARS-CoV-2

What is the incubation period for COVID-19?
- 2-7 days
- 2-14 days
- 7-14 days
- 7-21 days

To what extent do you agree or disagree with the following statements:

I understand the role of contact tracing in mitigating the toll of the COVID-19 pandemic.
- Completely Agree
- Agree
- Unsure
- Disagree
- Completely Disagree

I understand the process of contact tracing.
- Completely Agree
- Agree
- Unsure
- Disagree
- Completely Disagree

I understand the processes for collecting data with REDCap.
- Completely Agree
- Agree
- Unsure
- Disagree
- Completely Disagree

PART 1. COVID-19 Experiences

From what zip code did you conduct the majority of your contact tracing work?

Have you ever been diagnosed with COVID-19?

- Yes
- No
- Decline to answer

Do you know anyone who has been diagnosed with COVID-19?

- Yes
- No
- Decline to answer

How many people do you know who have been diagnosed with COVID-19?

- 1
- 2
- 3
- 4
- 5
- 6
- 7
- 8
- 9
- 10+
- Decline to answer

Do you know anyone who has died from COVID-19?

- Yes
- No
- Decline to answer
How many people do you know who have died from COVID-19?

○ 1  ○ 2  ○ 3  ○ 4  ○ 5  ○ 6  ○ 7  ○ 8  ○ 9  ○ 10+  ○ Decline to answer

On a scale of 1-10, 1 being not at all concerned and 10 being very concerned, how concerned are you about personally becoming infected with COVID-19?

○ 1  ○ 2  ○ 3  ○ 4  ○ 5  ○ 6  ○ 7  ○ 8  ○ 9  ○ 10  ○ Decline to answer

On a scale of 1-10 how concerned are you about personally becoming sick enough to require hospitalization for COVID-19?

○ 1 (Not at all concerned)
○ 2
○ 3
○ 4
○ 5
○ 6
○ 7
○ 8
○ 9
○ 10 (Very concerned)
○ Decline to answer

How many people who are close to you do you worry about becoming sick enough to require hospitalization for COVID-19?

○ 1 (Not at all concerned)
○ 2
○ 3

PART 2. Impacts of Contact Tracing Work

Has your work as a contact tracer impacted or been applicable to your career?

○ Yes  ○ No

How has your work as a contact tracer impacted or been applicable to your career?

Did you feel that the provided training(s) adequately prepared you to conduct work as a contact tracer?

○ Yes  ○ No

What part of the training was most helpful to you in your work as a contact tracer?
What do you wish you had more training on prior to starting your work as a contact tracer?

What did you find to be the most challenging or difficult aspect of contact tracing for you?

Can you please describe your most challenging or difficult experience while working as a contact tracer?

Can you please describe your most uplifting or positive experience while working as a contact tracer?

Did your work as a contact tracer influence your perspectives on the COVID-19 pandemic? If so, how?

Reflecting on how you felt in May 2020 compared to today...

Are you more or less afraid of SARS-CoV-2?

- More afraid
- Less afraid
- Equally afraid
- Decline to answer

Do you feel that you are more or less adherent to COVID-19 safety guidelines?

- More adherent
- Less adherent
- Equally adherent as May 2020
- Decline to answer

**PART 3. Contact Tracing Knowledge & Preparedness**

What is the main goal of contact tracing?
What is a case?

- Any interviewee we call to survey about COVID-19
- An individual who has tested positive for the pathogen
- An individual who has encountered someone infected with the pathogen, and thus could have been exposed to the pathogen
- Any interviewee who agrees to provide us with information regarding their potential exposures to COVID-19 over the past two weeks

What is a contact?
