Giolito et al, Figure S7

A

| Transfection | Caco2 | SW480 | HCT116 |
|--------------|-------|-------|--------|
|               | MW    | MW    | MW     |
|               | 100   | 100   | 100    |
|               | 70    | 70    | 70     |
|               | 55    | 55    | 55     |
|               | 40    | 40    | 40     |

- β-catenin
- TRα1
- β-actin

B

| Transfection | Caco2 | SW480 | HCT116 |
|--------------|-------|-------|--------|
|               |       |       |        |
|               |       |       |        |
|               |       |       |        |

- β-catenin/TCF1
- TRα1
- CTNNB1
