We invite you to become a member of the Asian American/Pacific Islander Nurses Association (AAPINA). Membership is currently open to anyone who supports the objectives of the Association.

**Benefits of Being a Member of AAPINA:**

- Obtain current statistics and national information on the health status of Asian/Pacific Islanders (APIs). Also, obtain information on opportunities for API nurses (e.g., fellowships, grants, and meetings).
- Being represented on national and federal groups which address API concerns. Participate in the National Coalition of Ethnic Minority Nurse Associations.
- Receive AAPINA newsletter two to three times a year.
- Have opportunities to be listed on the AAPINA’s online membership directory for visibility, networking, and mentorship.
- Join forums and discussion among AAPINA members (members only access*)

If you are a current AAPINA member, please log in to your account to check your membership status, update your profile, and renew your membership. For questions on how to create a new user account or other technical support, please email webmaster@aapina.org.

Welcome to the 15th Annual International Conference of the Asian American/Pacific Islander Nurses Association (AAPINA), Durham, North Carolina! This year, we are proudly hosting a dozen of internationally well-known leaders around the world as our keynote and special session speakers. It is our great fortune and honor to have these prestigious leaders as speakers in our conference. This conference will definitely provide a valuable opportunity to learn from thought leaders across the countries, get tangible advice from the NIH officers, exchange evidence-based information and research related to health disparity research across the globe, and connect with world renowned nurse leader colleagues. Throughout the conference sessions, we hope you could feel and enjoy the thought-provoking atmosphere of support and encouragement that the AAPINA provides for your future research and practice.

Please don’t forget to make some time to discover the great things and hospitality of our host city, Durham, North Carolina, which is well known for its rich diverse cultural heritage. Please enjoy the AAPINA’s 15th Annual International Conference.

The AAPINA Executive Committee Program Chair,
Eun-Ok Im, PhD, MPH, RN, CNS, FAAN
On behalf of the conference planning committee, we welcome you to the 15th Asian American/Pacific Islander Nurses Association (AAPINA) annual conference fueled by the power of collective intelligence and passion of AAPI nurses and researchers!

The AAPINA annual conference is the premier event to present and hear the latest scholarly works by AAPI nurses and researchers in various domains. This conference also offers opportunities to network with colleagues, and participate in lively discussions and debates on contemporary yet contentious topics in human health. This year’s conference includes keynotes and special presentations from world leaders, and 43 research presentations on various intriguing topics. We believe that this year’s AAPINA conference serves an exciting venue to learn from others in your field, and connect to potential collaborators for your future research.

The 15th AAPINA Annual Conference Chairs
Welcome to our 15th Annual AAPINA Conference. I am pleased to see you again and meet new members, students, and guest speakers. Our organization has grown steadfastly and continue to strive to accomplish our mission through dissemination of research findings, education and practice relevant to the health of Asian Americans and Pacific Islanders (AAPIs). This conference will address the current trends and future directions of health disparity research among AAPIs. I hope this conference will give you insights and opportunity to network and collaborate with others to promote the mission of AAPINA. Many thanks to the Planning Committee Chairs and Members for making this conference possible!

2018 AAPINA Conference Overview

The 2018 AAPINA Conference will be the platform where Asian/Pacific Islander scholars all around the world gather and discuss a variety of health issues that impact the care of patients, their families, and communities in different cultural, sociopolitical, and geographical contexts. Through the rich academic conversations, Asian/Pacific Islander scholars will network and unite to advance nursing science and take actions to tackle the health disparities on the globe.

Registration

Registration table will be located next to the main elevator behind the hotel check-in desk. AAPINA docents will be staying at the registration table to respond to questions or requests of our conference guests. Registration table hours: 7:00 AM – 5:30 PM (1st day, Sep. 22) and 8:00 AM – 12:00 PM (2nd day, Sep. 23).

Admission to Sessions

All attendees require a name badge received at the time of registration for admission to all sessions. Attendees are encouraged to wear a name badge all times during the conference.

Attire and Cell Phone Etiquette

Appropriate dress for the conference is business casual. A jacket or cardigan is also recommended as temperatures in meeting rooms may vary. Please kindly turn off your cell phone ringer during all sessions not to disturb presenters and audience.

Evaluations

You must complete an evaluation of the speakers to receive CE credits. Also, don't forget to complete a conference evaluation form and submit it to AAPINA docents at the registration table at the end of the conference. It will take about 5-10 minutes for you to complete the evaluation form. Your input is essential to improve a program of the next AAPINA conference.

Exhibits

Representatives of the several academic and/or healthcare institutions will be on site to promote their programs and answer your questions. All attendees including exhibitors should wear a name badge to enter the exhibit hall. Exhibit hours: September 22, 12:30 PM – 6:30 PM
**Emergency and First Aid**

There are BLS (basic life support) certified AAPINA docents who can perform CPR in case of emergency. The registration desk keeps a first aid kit. Please request medications, bandages, dressings, tools, or supplies, if needed.

Dr. Ma is a nationally recognized behavioral health scientist and leader in health disparities research. Her community-based participatory research (CBPR) and patient-centered outcomes research (PCOR) focus on early detection, patient navigation, cancer prevention and control, chronic diseases, smoking cessation, and access/quality of healthcare in underserved Asian American Pacific Islanders and other diverse populations. Over the past 20 years, Dr. Ma has been a PI receiving continuous research grant awards at the Federal, State, and City levels, including the National Institutes of Health and Centers for Disease Control and Prevention. One of the significant accomplishments is her leadership as a PI of NIH-NCI funded center grants (US4)--Asian Community Cancer Health Disparity Center--serving as a regional network of cancer health disparity research, training, and community outreach.

Dr. Wang is a former Deputy Minister of Health in Taiwan and has been the Dean at the school of nursing at Kaoshiung University. She is currently serving as the Vice President of Kaohsiung University. Dr. Wang’s research focuses on community health, health promotion, women’s health, aging and long-term care, and health policy. She is a FAAN and was inducted to the Sigma Theta Tau International Hall of Fame.
