CORRECTION

Correction: Retraction: Heat Shock Protein 70 Expression Is Spatially Distributed in Human Placenta and Selectively Upregulated during Labor and Preeclampsia

The PLOS ONE Editors

After this retraction notice [1] was posted, Akrem Abdulsid notified PLOS ONE that she had changed her position on the editorial decision in this case. The final paragraph of the retraction notice is hereby updated to the following: AA did not agree with the retraction. KH and FL did not respond.
