Appendix 1

COVID Simulation feedback – example feedback form

**Covid-19 SIMULATION TEACHING FEEDBACK FORM**

| Hospital / Trust | The Hillingdon Hospital NHS Trust |
|------------------|-----------------------------------|
| Name of Tutors   | Title of Session / Course         |
| Dilshani Hunukumbure Kirtan Patel Alison Tang Ashik Zala | Covid-19 – assessing, management, and cardiac arrest |

Your objective feedback would be greatly appreciated.

Please **circle a number** between 1 and 5 to indicate which response best fits your experience of the teaching session.

| CONTENT                                      | Strongly Agree | Strongly Disagree | Agree | Disagree | Neutral |
|----------------------------------------------|----------------|-------------------|-------|----------|---------|
| There was a clear introduction              |                |                   |       |          |         |
| The content was at an appropriate level     | 1              | 2                 | 3     | 4        | 5       |
| The content was relevant to my training     | 1              | 2                 | 3     | 4        | 5       |

| SIMULATION                                   | Strongly Agree | Strongly Disagree | Agree | Disagree | Neutral |
|----------------------------------------------|----------------|-------------------|-------|----------|---------|
| The course was well organised and realistic  | 1              | 2                 | 3     | 4        | 5       |

| FEEDBACK                                     | Strongly Agree | Strongly Disagree | Agree | Disagree | Neutral |
|----------------------------------------------|----------------|-------------------|-------|----------|---------|
| The facilitator appeared enthusiastic about the subject | 1 | 2 | 3 | 4 | 5 |
| Audience participation and interaction was encouraged | 1 | 2 | 3 | 4 | 5 |

| OVERALL                                       | Strongly Agree | Strongly Disagree | Agree | Disagree | Neutral |
|-----------------------------------------------|----------------|-------------------|-------|----------|---------|
| The faculty supported a safe learning environment that advocated active learning | 1 | 2 | 3 | 4 | 5 |
| The knowledge gained through the simulation experiences can be transferred to the clinical setting | 1 | 2 | 3 | 4 | 5 |
| The simulation prepared me for Covid-19 in clinical settings | 1 | 2 | 3 | 4 | 5 |
| Overall, this teaching session was useful     | 1              | 2                 | 3     | 4        | 5       |

I **liked** the following things about the session:

The session might be **improved** by:
