### Narrative Review Checklist

| Section/Topic          | Item No | Item                                                                 | Reported on Page Number/Line Number | Reported on Section/Paragraph |
|------------------------|---------|----------------------------------------------------------------------|------------------------------------|------------------------------|
| **TITLE**              |         |                                                                       |                                    |                              |
| Title                  | 1       | Identify the report as a Narrative Review of …                       | Page 1, Line 4                     | Section Running Head         |
| **ABSTRACT**           |         |                                                                      |                                    |                              |
| Unstructured summary   | 2       | Provide an unstructured summary including, as applicable: background, objective, brief summary of narrative review and implications for future research, and clinical practice or policy development. | Page 3, Lines 46-63               | Section Abstract             |
| **INTRODUCTION**       |         |                                                                      |                                    |                              |
| Rationale/background   | 3       | Describe the rationale for the review in the context of what is already known. | Pages 4-5, Line 66-82              | Section Introduction         |
| Objectives             | 4       | Specify the key question(s) identified for the review topic.         | Page 4, Line 82-84 and             | Section Introduction         |
| **METHODS**            |         |                                                                      |                                    |                              |
| Research selection     | 5       | Specify the process for identifying the literature search (eg, years considered, language, publication status, study design, and databases of coverage). | Page 5, Line 85-87                | Section Introduction         |
| **DISCUSSION/SUMMARY** |         |                                                                      |                                    |                              |
| Narrative              | 6       | Discuss: 1) research reviewed including fundamental or key findings, 2) limitations and/or quality of research reviewed, and 3) need for future research. | Page 4-21, lines 94-473            | Sections The role of interventional nutrition professionals in...  
|                        |         |                                                                      |                                    |                               |
| Summary                | 7       | Provide an overall interpretation of the narrative review in the context of clinical practice and/or the Nutrition Care Process for registered dietitian nutritionists, clinical practice for other health professionals, policy development and implementation, or future research. | Pages 21-23, Lines 475-534        | Section Conclusions         |
