Erratum

When the article was published, there was an error on page 2, in the third paragraph of the section "Device programming and interrogation."

"four burst, ATP with 80% coupling of the cycle length and five impulses burst followed by four ramp, 80% coupling of the cycle length and five impulses with..." should be "four burst, ATP with 88% coupling of the cycle length and eight impulses burst followed by four ramp, 88% coupling of the cycle length and eight impulses with..."
