### Table A1. Local government area specific results for smokefree and dog control signage (at 63 children’s playgrounds in 21 contiguous local government authority areas in the lower North Island of New Zealand, all for signs within 10 metres of the playground equipment)

| Territorial Local Authority | Playgrounds (N) | Smokefree signs | Dog control signs |
|-----------------------------|-----------------|----------------|------------------|
|                             |                 | Any signs | Mean no. of signs | Any signs | Mean no. of signs |
| Carterton District          | 2               | 50%      | 2.0             | 0%        | 0.0             |
| Central Hawkes Bay District | 2               | 50%      | 0.5             | 0%        | 0.0             |
| Hastings District           | 3               | 67%      | 0.7             | 0%        | 0.0             |
| Horowhenua District         | 2               | 50%      | 1.5             | 0%        | 0.0             |
| Kapiti Coast District       | 2               | 0%       | 0.0             | 50%       | 0.5             |
| Lower Hutt City             | 4               | 0%       | 0.0             | 75%       | 0.8             |
| Manawatu District           | 2               | 0%       | 0.0             | 0%        | 0.0             |
| Masterton District          | 2               | 100%     | 3.5             | 50%       | 1.0             |
| Napier City                 | 2               | 100%     | 1.5             | 50%       | 0.5             |
| New Plymouth City           | 3               | 33%      | 0.3             | 0%        | 0.0             |
| Palmerston North City       | 5               | 80%      | 1.0             | 60%       | 0.8             |
| Porirua City                | 4               | 50%      | 0.5             | 0%        | 0.0             |
| Rangitikei District         | 2               | 0%       | 0.0             | 0%        | 0.0             |
| South Taranaki District     | 2               | 0%       | 0.0             | 0%        | 0.0             |
| South Wairarapa District    | 2               | 100%     | 3.0             | 100%      | 2.5             |
| Stratford District          | 2               | 50%      | 1.0             | 50%       | 0.5             |
| Tararua District            | 2               | 0%       | 0.0             | 50%       | 0.5             |
| Upper Hutt City             | 3               | 33%      | 0.3             | 0%        | 0.0             |
| Wairoa District             | 2               | 50%      | 0.5             | 0%        | 0.0             |
| Wellington City             | 13              | 38%      | 0.5             | 46%       | 0.5             |
| Whanganui District          | 2               | 100%     | 2.5             | 50%       | 1.5             |
| **Total/overall mean**      | 63              | 44%      | 0.8             | 32%       | 0.4             |
Figure A1: A relatively small smokefree sign by a playground (10 cm x 10 cm in size) and a similarly sized, but more obvious, dog control sign next to it.
Figure A2: Contrasting dog control and smokefree signs with the dog control sign having: (i) a larger clearer image; (ii) fewer words; and (iii) reference to fines.
Figure A3: A smokefree sign message (Porirua City)
Figure A4: A relatively large smokefree sign by a playground that includes some Māori (indigenous) language and uses persuasive messaging.
