ERRATUM

A biocompatible condensation reaction for controlled assembly of nanostructures in living cells
Gaolin Liang, Hongjun Ren and Jianghong Rao

Nature Chemistry 2, 54–60 (2009); published online 17 December 2009; corrected after print 18 January 2010.

In the version of this Article originally published, in Fig. 1b the groups labelled R1 and R2 were switched. This has now been corrected in the HTML and PDF versions of the Article.
