Description of Additional Supplementary Files

File Name: Supplementary Data 1

Description:

- Supplementary Figure S5: Original gels for Fig. 3b
- Supplementary Figure S6: Replicate gels #2 for Fig. 3b
- Supplementary Figure S7: Replicate gels #2 for Fig. 3b
- Supplementary Figure S8: Original blots and replicates for Supplementary Fig. 3a
- Supplementary Figure S9: Original gels for Fig. 4a
- Supplementary Figure S10: Replicate gels #2 for Fig. 4a
- Supplementary Figure S11: Replicate gels #3 for Fig. 4a
- Supplementary Figure S12: Original scan for Fig. 4b
- Supplementary Figure S13: Original gels for Supplementary Fig. S4

File Name: Supplementary Data 2

Description:

- Supplementary Figure S14: Raw data obtained after quantification of blots from Supplementary figure S8 using image lab software.
- Supplementary Figure S15: Raw data from the colorimetric assay in Supplementary figure S3b
