|-----------------------------------|---|--------------------------------------------------------------------------------|-------------------------------|
| **INFORMATION SOURCES AND METHODS** |   |                                                                                  |                               |
| Database name                     | 1 | Name each individual database searched, stating the platform for each.           | Additional File 1             |
| Multi-database searching          | 2 | If databases were searched simultaneously on a single platform, state the name of the platform, listing all of the databases searched. | N/A                           |
| Study registries                  | 3 | List any study registries searched.                                            | N/A                           |
| Online resources and browsing     | 4 | Describe any online or print source purposefully searched or browsed (e.g., tables of contents, print conference proceedings, web sites), and how this was done. | Additional File 1             |
| Citation searching                | 5 | Indicate whether cited references or citing references were examined, and describe any methods used for locating cited/citing references (e.g., browsing reference lists, using a citation index, setting up email alerts for references citing included studies). | Additional File 1             |
| Contacts                          | 6 | Indicate whether additional studies or data were sought by contacting authors, experts, manufacturers, or others. | Additional File 1             |
| Other methods                     | 7 | Describe any additional information sources or search methods used.             | Additional File 2             |
| **SEARCH STRATEGIES**             |   |                                                                                  |                               |
| Full search strategies            | 8 | Include the search strategies for each database and information source, copied and pasted exactly as run. | Additional File 1             |
| Limits and restrictions           | 9 | Specify that no limits were used, or describe any limits or restrictions applied to a search (e.g., date or time period, language, study design) and provide justification for their use. | Limits described in above location |
| Search filters                    | 10| Indicate whether published search filters were used (as originally designed or modified), and if so, cite the filter(s) used. | N/A                           |
| Prior work                        | 11| Indicate when search strategies from other literature reviews were adapted or reused for a substantive part or all of the search, citing the previous review(s). | N/A                           |
| Updates                           | 12| Report the methods used to update the search(es) (e.g., rerunning searches, email alerts). | N/A. Search periods were specified in advance |
### Dates of searches

13 For each search strategy, provide the date when the last search occurred.

**Additional File 1**

### Peer review

14 Describe any search peer review process.

**See literature selection section of Methods and first paragraph of Results**

### Managing records

| Total Records | 15 | Document the total number of records identified from each database and other information sources. |
|---------------|----|---------------------------------------------------------------------------------------------|
| Deduplication | 16 | Describe the processes and any software used to deduplicate records from multiple database searches and other information sources. |
