## Narrative Review Checklist

| Section/Topic | Item No | Item | Reported on Page Number/Line Number | Reported on Section/Paragraph |
|---------------|---------|------|-------------------------------------|-------------------------------|
| **TITLE**     |         |      |                                     |                               |
| Title         | 1       | Identify the report as a Narrative Review of … | P2/L44-47 & P5/L103-105      | A/P1 & S1/P6                 |
| **ABSTRACT**  |         |      |                                     |                               |
| Unstructured summary | 2       | Provide an unstructured summary including, as applicable: background, objective, brief summary of narrative review and implications for future research, and clinical practice or policy development. | P2/L33-47 | A/P1 |
| **INTRODUCTION** |         |      |                                     |                               |
| Rationale/background | 3       | Describe the rationale for the review in the context of what is already known. | P5/L103-110 | S1/P6 |
| Objectives    | 4       | Specify the key question(s) identified for the review topic. | P5/L111-113 | S1/P7 |
| **METHODS**   |         |      |                                     |                               |
| Research selection | 5       | Specify the process for identifying the literature search (eg, years considered, language, publication status, study design, and databases of coverage). | P5/114-118 | S1/P8 |
| **DISCUSSION/SUMMARY** |         |      |                                     |                               |
| Narrative     | 6       | Discuss: 1) research reviewed including fundamental or key findings, 2) limitations and/or quality of research reviewed, and 3) need for future research. | P5-P17/L121-406 | S2-7 |
| Summary       | 7       | Provide an overall interpretation of the narrative review in the context of clinical practice and/or the Nutrition Care Process for registered dietitian nutritionists, clinical practice for other health professionals, policy development and implementation, or future research. | P17/L409-425 | S8 |
