Corrigendum to: “The Diversity of Hornets in the Genus Vespa (Hymenoptera: Vespidae; Vespinae), Their Importance and Interceptions in the United States”

Correction of “Smith-Pardo, A. H., J. M. Carpenter, and L. Kimsey. 2020. The Diversity of Hornets in the Genus Vespa (Hymenoptera: Vespidae; Vespinae), Their Importance and Interceptions in the United States. Insect Syst. Diversity.”

DOI: 10.1093/isd/ixaa006

In the original version, there were errors in the captions for figures 1, 2, 7, 8, 13, and 14; an incorrectly labeled plate for figures 5–8; and figure reference errors in couplets 14 and 21 in the key. The figure captions have been corrected, a new plate for figures 5–8 provided, and the figure references corrected in couplets 14 and 21 in the key. The authors regret the errors.
