Appendix

Interview guide for four focus groups

❖ How did you feel when participating in the hybrid IPE course in partnership with patients with diabetes?
  - What were the good things for you?
  - What were your concerns?
  - Why did you feel that way?
❖ How did you feel about actually doing the diabetes education programme yourselves when performing it?
  - What worked well for you?
  - What went wrong for you?
  - Why did you feel that way?
❖ How did you find the use of online modalities?
  - What were the good things for you?
  - What were your concerns?
  - Why did you feel that way?
❖ Would you recommend the diabetes IPE course to younger students?
  - Why did you feel that way?
❖ How did you find the communication with students from other professions?
