Oral Presentations

S1.1d Risk factors associated with oropharyngeal candidiasis in COVID-19 patients: a case-control study
Mohammadreza Talebi1,2, Reyhansad Sadat Kıyıcı,3 Sadegh Khodarahimi,1,2 Nazihan Najjarrad,4 Seyed Ali Dehghan Darvish4,5, Sadjad Farahi2 1Tehran University of Medical Sciences, Tehran, Iran
2Tehran University of Medical Sciences, Tehran, Iran
3Tehran University of Medical Sciences, Tehran, Iran
4Tehran University of Medical Sciences, Tehran, Iran
5Shahid Beheshti University of Medical Sciences, Tehran, Iran
6Tehran University of Medical Sciences, Tehran, Iran

S1.1c Controversies in the clinical management of actinomycete infections in critically ill patients, September 21, 2022, 11:00 AM - 12:10 PM
Andrea Paresi
University of Turin, Gruppo Poligono, Italy

S1.2c Diagnosis of fungal infections in animals: Combining the old and the new to maximize results
Andrea Paresi
University of Turin, Gruppo Poligono, Italy

S1.1a Genetic and genomics of Malassezia species
Giuseppe Laviz
University of Molise, Campobasso, Italy

S1.3c Diversity and hybridization in Malassezia furfur
Bart Thelen
Westerdijk Fungal Biodiversity Institute, Utrecht, Netherlands

S1.2d The human pathobiont (Malassezia furfur) secreted protease MISP1 regulates cell dispersal and exacerbates skin inflammation
Jochen Gehl1, Fiorella Ruggiero2,3, Si En Poh4, Winston L.C. Kho5, Yi T. Tan,6 Ying Lim7, Steven G. Ting8,9, Radhawan M. Sofot9,10, Shawn S. Hoon10, Cheong Lu-ft10, Anthony J. Oonong8,9, Salimah Leithaus-Clark10,11, Haeti Oon11,12,13,14, Thomas L. Dawson15,16 1AST Skin Research Labs, Agency for Science, Technology and Research, Singapore, Singapore
2Singapore, Singapore
3Department of Dermatology, National University Hospital, Singapore, Singapore
4Molecular Engineering Lab, Institute of Cellular and Molecular Biology, Agency for Science, Technology and Research, Singapore, Singapore
5Department of Dermatology, Singapore National Cancer Centre, Singapore, Singapore
6Department of Pharmacology and Pharmaceutical Sciences, University of California-San Diego, La Jolla, USA
7Department of Chemistry, National University of Singapore, Singapore, Singapore
8Department of Drug Discovery, School of Pharmacy, Medical University of South Carolina, Charleston, USA
