Corrigendum to “Aroma components of tobacco powder from different producing areas based on gas chromatography ion mobility spectrometry”

https://doi.org/10.1515/chem-2022-0553
received March 31, 2022; accepted April 6, 2022

Corrigendum to: Qin G, Zhao G, Ouyang C, Liu J. Aroma components of tobacco powder from different producing areas based on gas chromatography ion mobility spectrometry.

Open Chem. 2021;19(1):442–50. https://doi.org/10.1515/chem-2020-0116.

After publishing the article, the authors noticed that the wrong Figure 3 was used in the manuscript.

Figure 3. Fingerprints of volatile organic compounds peaks.

The correct version of Figure 3 is given as follows:

Figure 3: Fingerprints of volatile organic compound peaks.
