The original version of this paper contained unspecific funding information. In order to properly accredit funders, the information has been updated as follows:

In the ‘Acknowledgements’ section, the sentence “The 3D model of calcium precipitates was funded within the EU framework of FP7, Marie Curie ITN CALIPSO [GA 2013-ITN-607-607], and a grant from the Polish National Science Center [grant no. 2011/01/B/NZ3/02160].” has been changed to read “The 3D model of calcium precipitates was funded by financial resources for science in the years 2013–2017, allocated to the realization of a co-financed international project Marie Curie ITN CALIPSO [GA 2013-ITN-607-607] within the EU framework of FP7, and a grant from the Polish National Science Center [grant no. 2011/01/B/NZ3/02160].”
