ICMJE DISCLOSURE FORM

Date: June 10th, 2021
Your Name: Victoria Troesch
Manuscript Title: Barriers to Receiving Testosterone Replacement Therapy in the Community During COVID-19 Pandemic
Manuscript number (if known): TAU-21-350-CL

In the interest of transparency, we ask you to disclose all relationships/activities/interests listed below that are related to the content of your manuscript. “Related” means any relation with for-profit or not-for-profit third parties whose interests may be affected by the content of the manuscript. Disclosure represents a commitment to transparency and does not necessarily indicate a bias. If you are in doubt about whether to list a relationship/activity/interest, it is preferable that you do so.

The following questions apply to the author’s relationships/activities/interests as they relate to the current manuscript only.

The author’s relationships/activities/interests should be defined broadly. For example, if your manuscript pertains to the epidemiology of hypertension, you should declare all relationships with manufacturers of antihypertensive medication, even if that medication is not mentioned in the manuscript.

In item #1 below, report all support for the work reported in this manuscript without time limit. For all other items, the time frame for disclosure is the past 36 months.

| Item | Name all entities with whom you have this relationship or indicate none (add rows as needed) | Specifications/Comments (e.g., if payments were made to you or to your institution) |
|------|-------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------|
| **Time frame: Since the initial planning of the work** |
| 1 | All support for the present manuscript (e.g., funding, provision of study materials, medical writing, article processing charges, etc.) | _X__ None |
| | No time limit for this item. | |
| **Time frame: past 36 months** |
| 2 | Grants or contracts from any entity (if not indicated in item #1 above). | _X__ None |
| 3 | Royalties or licenses | _X__ None |
| 4 | Consulting fees | _X__ None |
|   | Description                                                                 | Answer |
|---|------------------------------------------------------------------------------|--------|
| 5 | Payment or honoraria for lectures, presentations, speakers bureaus, manuscript writing or educational events | _X_ None |
| 6 | Payment for expert testimony                                                 | _X_ None |
| 7 | Support for attending meetings and/or travel                                  | _X_ None |
| 8 | Patents planned, issued or pending                                           | _X_ None |
| 9 | Participation on a Data Safety Monitoring Board or Advisory Board             | _X_ None |
| 10| Leadership or fiduciary role in other board, society, committee or advocacy group, paid or unpaid | _X_ None |
| 11| Stock or stock options                                                        | _X_ None |
| 12| Receipt of equipment, materials, drugs, medical writing, gifts or other services | _X_ None |
| 13| Other financial or non-financial interests                                    | _X_ None |

Please summarize the above conflict of interest in the following box:

None.

Please place an “X” next to the following statement to indicate your agreement:

_**X**_ I certify that I have answered every question and have not altered the wording of any of the questions on this form.
In the interest of transparency, we ask you to disclose all relationships/activities/interests listed below that are related to the content of your manuscript. “Related” means any relation with for-profit or not-for-profit third parties whose interests may be affected by the content of the manuscript. Disclosure represents a commitment to transparency and does not necessarily indicate a bias. If you are in doubt about whether to list a relationship/activity/interest, it is preferable that you do so.

The following questions apply to the author’s relationships/activities/interests as they relate to the current manuscript only.

The author’s relationships/activities/interests should be defined broadly. For example, if your manuscript pertains to the epidemiology of hypertension, you should declare all relationships with manufacturers of antihypertensive medication, even if that medication is not mentioned in the manuscript.
