Retraction Note: Clinicopathologic characterization of visceral gout of various internal organs – a study of 2 cases from a venom and toxin research center

Alireza Nasoori1, Behnam Pedram2, Zahra Kamyabi-Moghaddam3,4, Aram Mokarizadeh5, Hamid Pirasteh6, Amir Farshid Fayyaz7 and Mohammad Barat Shooshtari8*

Retraction

The Editor-in-Chief and Publisher have retracted this article [1] because the scientific integrity of the content cannot be guaranteed. An investigation by the Publisher found it to be one of a group of articles we have identified as showing evidence suggestive of attempts to subvert the peer review and publication system to inappropriately obtain or allocate authorship. This article showed evidence of peer review and authorship manipulation.
