### Narrative Review Checklist

| Section/Topic       | Item No | Item                                                                 | Reported on Page Number/Line Number | Reported on Section/Paragraph |
|---------------------|---------|----------------------------------------------------------------------|-------------------------------------|------------------------------|
| **TITLE**           |         |                                                                      |                                     |                              |
| Title               | 1       | Identify the report as a Narrative Review or Literature Review.       | page 1/line 2                      | title/paragraph 1            |
| **ABSTRACT**        |         |                                                                      |                                     |                              |
| Structured summary  | 2       | Provide a structured summary with the subsections as: Background and Objective, Methods, Key Content and Findings, Conclusion. | page 1-2/line 27-54               | Abstract/paragraph 1-4       |
| **INTRODUCTION**    |         |                                                                      |                                     |                              |
| Rationale/background| 3       | Describe the rationale for the review in the context of what is already known. | page 2-3/line 60-88               | Introduction/paragraph1-2    |
| Objectives          | 4       | Specify the key question(s) identified for the review topic.          | page 3/line 85-88                 | Introduction/paragraph2      |
| **METHODS**         |         |                                                                      |                                     |                              |
| Research selection  | 5       | Specify the process for identifying the literature search (eg, years considered, language, publication status, study design, and databases of coverage). | page 3/line 90-93                 | Method/paragraph1            |
| **DISCUSSION/SUMMARY** |       |                                                                      |                                     |                              |
| Narrative           | 6       | Discuss: 1) research reviewed including fundamental or key findings, 2) limitations and/or quality of research reviewed, and 3) need for future research. | page 9/line 274-285               | Narrative/paragraph1         |
| Summary             | 7       | Provide an overall interpretation of the narrative review in the context of clinical practice for health professionals, policy development and implementation, or future research. | page 9/line 286-297               | Summary/paragraph1           |
