Erratum to: Functional variants of human papillomavirus type 16 demonstrate host genome integration and transcriptional alterations corresponding to their unique cancer epidemiology

Robert Jackson 1,2, Bruce A. Rosa 3, Sonia Lameiras 4, Sean Cuninghame 1,5, Josee Bernard 1,6, Wely B. Floriano 7, Paul F. Lambert 8, Alain Nicolas 9 and Ingeborg Zehbe 1,5,6*

Erratum
In the original publication of this article [1], the funding statement omitted the following information, “Work on the NGS platform of the Institut Curie was supported by the Agence Nationale de la Recherche (ANR Investissement d’Avenir) (ANR-10-EQPX-03) and by the France Génomique National infrastructure (ANR-10-INBS-09).”

The final funding statement can be found below:

Funding
This work was supported by Natural Sciences and Engineering Research Council of Canada (NSERC) grants to IZ (#355858-2008, #435891-2013, #RGPIN-2015-03855), NSERC Alexander Graham Bell Canada Graduate Scholarship-Doctoral (CGS-D) to RJ (#454402-2014), NSERC Alexander Graham Bell Canada Graduate Scholarship-Masters (CGS-M) to SC (#442618-2013), and an NSERC Undergraduate Student Research Award (USRA) to JB (#483630-2015). Work on the NGS platform of the Institut Curie was supported by the Agence Nationale de la Recherche (ANR Investissement d’Avenir) (ANR-10-EQPX-03) and by the France Génomique National infrastructure (ANR-10-INBS-09). The funding bodies had no role in study design, data collection, data analysis and interpretation, or preparation of the manuscript.

Author details
1Probe Development and Biomarker Exploration, Thunder Bay Regional Research Institute, Thunder Bay, Ontario, Canada. 2Biotechnology Program, Lakehead University, Thunder Bay, Ontario, Canada. 3McDonnell Genome Institute, Washington University School of Medicine, St. Louis, MO, USA. 4NGS platform, Institut Curie, PSL Research University, 26 rue d’Ulm, 75248 Paris, Cedex, France. 5Northern Ontario School of Medicine, Lakehead University, Thunder Bay, Ontario, Canada. 6Department of Biology, Lakehead University, Thunder Bay, Ontario, Canada. 7Department of Chemistry, Lakehead University, Thunder Bay, Ontario, Canada. 8McArdle Laboratory for Cancer Research, University of Wisconsin School of Medicine and Public Health, Madison, WI, USA. 9Institut Curie, PSL Research University, Centre National de la Recherche Scientifique UMR5244, Sorbonne Universités, Paris, France.
