List of Supplementary Data

Figure S1. ESI-Q-TOF-MS spectrum of compound 1 ..............................................................1
Figure S2. IR (KBr, disc) spectrum of compound 1 ..............................................................1
Figure S3. $^1$H NMR spectrum of compound 1 (pyridine-$d_3$) ...........................................2
Figure S4. $^{13}$C NMR spectrum of compound 1 (pyridine-$d_3$) ...........................................2
Figure S5. HSQC NMR spectrum of compound 1 (pyridine-$d_3$) ........................................3
Figure S6. HMBC NMR spectrum of compound 1 (pyridine-$d_3$) ......................................3
Figure S7. ESI-Q-TOF-MS spectrum of compound 2 ..........................................................4
Figure S8. IR (KBr, disc) spectrum of compound 2 ..............................................................4
Figure S9. $^1$H NMR spectrum of compound 2 (pyridine-$d_5$) ............................................5
Figure S10. $^{13}$C NMR spectrum of compound 2 (pyridine-$d_5$) ...........................................5
Figure S11. DEPT spectrum of compound 2 (pyridine-$d_3$) ................................................6
Figure S12. HSQC NMR spectrum of compound 2 (pyridine-$d_3$) .......................................6
Figure S13. HMBC NMR spectrum of compound 2 (pyridine-$d_3$) ....................................7
Figure S14. ESI-Q-TOF-MS spectrum of compound 3 .......................................................7
Figure S15. IR (KBr, disc) spectrum of compound 3 ............................................................8
Figure S16. $^1$H NMR spectrum of compound 3 (pyridine-$d_3$) ..........................................8
Figure S17. $^{13}$C NMR spectrum of compound 3 (pyridine-$d_3$) .........................................9
Figure S18. HSQC NMR spectrum of compound 3 (pyridine-$d_3$) .....................................9
Figure S19. HMBC NMR spectrum of compound 3 (pyridine-$d_3$) ...................................10
Figure S20. ESI-Q-TOF-MS spectrum of compound 4 ......................................................10
Figure S21. IR (KBr, disc) spectrum of compound 4 ............................................................11
Figure S22. $^1$H NMR spectrum of compound 4 (pyridine-$d_3$) .........................................11
Figure S23. $^{13}$C NMR spectrum of compound 4 (pyridine-$d_3$) ........................................12
Figure S24. HSQC NMR spectrum of compound 4 (pyridine-$d_3$) ....................................12
Figure S25. HMBC NMR spectrum of compound 4 (pyridine-$d_3$) ...................................13
Figure S26. ESI-Q-TOF-MS spectrum of compound 5 ......................................................13
Figure S27. IR (KBr, disc) spectrum of compound 5 ............................................................14
Figure S28. $^1$H NMR spectrum of compound 5 (pyridine-$d_3$) .........................................14
Figure S29. $^{13}$C NMR spectrum of compound 5 (pyridine-$d_3$) .......................................15
Figure S30. DEPT spectrum of compound 5 (pyridine-$d_3$) ..............................................15
Figure S31. HSQC NMR spectrum of compound 5 (pyridine-$d_3$) ....................................16
Figure S32. HMBC NMR spectrum of compound 5 (pyridine-$d_3$) ...................................16
Figure S33. ESI-Q-TOF-MS spectrum of compound 6 ......................................................17
Figure S34. IR (KBr, disc) spectrum of compound 6 ............................................................17
Figure S35. $^1$H NMR spectrum of compound 6 (pyridine-$d_3$) .........................................18
Figure S36. $^{13}$C NMR spectrum of compound 6 (pyridine-$d_3$) .......................................18
Figure S37. DEPT spectrum of compound 6 (pyridine-$d_3$) .............................................19
Figure S38. HSQC NMR spectrum of compound 6 (pyridine-$d_3$) ...................................19
Figure S39. HMBC NMR spectrum of compound 6 (pyridine-$d_3$) ..................................20
Figure S40. ESI-MS spectrum of compound 7 .................................................................20
Figure S41. $^1$H NMR spectrum of compound 7 (pyridine-$d_3$) .........................................21
Figure S42. $^{13}$C NMR spectrum of compound 7 (pyridine-$d_3$) .......................................21
Figure S1. ESI-Q-TOF-MS spectrum of compound 1

Figure S2. IR (KBr, disc) spectrum of compound 1
Figure S3. $^1$H NMR spectrum of compound 1 (pyridine-$d_5$)

Figure S4. $^{13}$C NMR spectrum of compound 1 (pyridine-$d_5$)
Figure S5. HSQC NMR spectrum of compound 1 (pyridine-$d_5$)

Figure S6. HMBC NMR spectrum of compound 1 (pyridine-$d_5$)
Figure S7. ESI-Q-TOF-MS spectrum of compound 2

Figure S8. IR (KBr, disc) spectrum of compound 2
Figure S9. $^1$H NMR spectrum of compound 2 (pyridine-$d_5$)

Figure S10. $^{13}$C NMR spectrum of compound 2 (pyridine-$d_5$)
Figure S11. DEPT spectrum of compound 2 (pyridine-$d_5$)

Figure S12. HSQC NMR spectrum of compound 2 (pyridine-$d_5$)
**Figure S13.** HMBC NMR spectrum of compound 2 (pyridine-\textit{d}_5)

**Figure S14.** ESI-Q-TOF-MS spectrum of compound 3
Figure S15. IR (KBr, disc) spectrum of compound 3

Figure S16. $^1$H NMR spectrum of compound 3 (pyridine-$d_5$)
Figure S17. $^{13}$C NMR spectrum of compound 3 (pyridine-$d_5$)

Figure S18. HSQC NMR spectrum of compound 3 (pyridine-$d_5$)
Figure S19. HMBC NMR spectrum of compound 3 (pyridine-$d_5$)

Figure S20. ESI-Q-TOF-MS spectrum of compound 4
Figure S21. IR (KBr, disc) spectrum of compound 4

Figure S22. $^1$H NMR spectrum of compound 4 (pyridine-$d_5$)
Figure S23. $^{13}$C NMR spectrum of compound 4 (pyridine-$d_5$)

Figure S24. HSQC NMR spectrum of compound 4 (pyridine-$d_5$)
Figure S25. HMBC NMR spectrum of compound 4 (pyridine-$d_5$)

Figure S26. ESI-Q-TOF-MS spectrum of compound 5
Figure S27. IR (KBr, disc) spectrum of compound 5

Figure S28. $^1$H NMR spectrum of compound 5 (pyridine-$d_5$)
Figure S29. $^{13}$C NMR spectrum of compound 5 (pyridine-$d_5$)

Figure S30. DEPT spectrum of compound 5 (pyridine-$d_5$)
Figure S31. HSQC NMR spectrum of compound 5 (pyridine-$d_5$)

Figure S32. HMBC NMR spectrum of compound 5 (pyridine-$d_5$)
Figure S33. ESI-Q-TOF-MS spectrum of compound 6

Figure S34. IR (KBr, disc) spectrum of compound 6
Figure S35. $^1$H NMR spectrum of compound 6 (pyridine-$d_5$)

Figure S36. $^{13}$C NMR spectrum of compound 6 (pyridine-$d_5$)
Figure S37. DEPT spectrum of compound 6 (pyridine-$d_5$)

Figure S38. HSQC NMR spectrum of compound 6 (pyridine-$d_5$)
Figure S39. HMBC NMR spectrum of compound 6 (pyridine-$d_5$)

Figure S40. ESI-MS spectrum of compound 7
Figure S41. $^1$H NMR spectrum of compound 7 (pyridine-$d_5$)

Figure S42. $^{13}$C NMR spectrum of compound 7 (pyridine-$d_5$)
