Erratum to: Ann Transl Med 2020;8:1425

This article (1) titled “Evaluation of factors affecting the visualization of dye after transbronchial dye injection: an animal experiment” (doi: 10.21037/atm-20-1695), unfortunately contains an error in author’s affiliation 2.

Author’s affiliation 2 should be changed from “Department of Thoracic and Cardiovascular Surgery, Pusan National University Hospital, Medical Research Institution, Busan, Republic of Korea” to “Department of Thoracic and Cardiovascular Surgery, Pusan National University School of Medicine, Biomedical Research Institute, Pusan National University Hospital, Busan, Republic of Korea”.

Following the above change, the correspondence should be updated as well. The updated authorship section is presented below.

Updated Authorship Section
