Author comment on "The AntAWS dataset: a compilation of Antarctic automatic weather station observations" by Yetang Wang et al., Earth Syst. Sci. Data Discuss., https://doi.org/10.5194/essd-2022-241-AC5, 2022

Dear Christoph Kittel,

We are very sorry for our negligence of non-upload to the platform, and we will upload them, which are included in the updated AntAWS dataset based on the improved quality control criteria.

Best regards,

Yetang Wang, on behalf of all authors
