Can the ETView VivaSight SL Rival Conventional Intubation Using the Macintosh Laryngoscope During Adult Resuscitation by Novice Physicians? A Randomized Crossover Manikin Study: Erratum

In the article ‘‘Can the ETView VivaSight SL Rival Conventional Intubation Using the Macintosh Laryngoscope During Adult Resuscitation by Novice Physicians? A Randomized Crossover Manikin Study’’, which appeared in Volume 94, Issue 21 of Medicine, the order of the author names was incorrectly presented. Dr. Kurowski’s name should have appeared first in the byline. The article has been corrected online.
