# Data Sharing Statement

| **Article information** | [http://dx.doi.org/10.21037/atm-20-3134](http://dx.doi.org/10.21037/atm-20-3134) |
|-------------------------|--------------------------------------------------|
| **Section**             | **Question**                                     | **Authors’ Response** |
| Data collected          | Will the data collected for your study be made   | Yes |
| for your study          | available to others?                             |     |
|                        | If not, would you like to share the reason for   | -   |
|                        | your decision?                                   |     |
|                        | What data in particular will be shared?          | All the data |
|                        | Any additional information about data?           | no |
|                        | How or where can the data be obtained?           | Ask for Correspondence authors |
|                        | When will data availability begin?               | After manuscript being published |
|                        | When will data availability end?                 | Forever |
| Supporting documents    | Will any supporting documents be available?       | no |
|                        | Which supporting documents?                      | -   |
|                        | Any additional information about supporting     | no |
|                        | documents?                                       |     |
|                        | How or where can supporting documents be         | no |
|                        | obtained?                                        |     |
|                        | When will supporting documents availability     | no |
|                        | begin?                                           |     |
|                        | When will supporting documents availability     | no |
|                        | end?                                             |     |
| Restrictions           | To whom will data be available?                  | All people who concerned |
|                        | For what type of analysis or purpose?            | -   |
|                        | By what mechanism?                               | -   |
|                        | Any other restrictions?                          | -   |
| Additional information  | -                                                |     |
