| Topic                       | Item  | Checklist item description                                                                                                                                                                                                 | Reported on Line |
|----------------------------|-------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------|
| Title                      | 1     | The diagnosis or intervention of primary focus followed by the words “case report”                                                                                                                                         | page1 line1-2    |
| Key Words                  | 2     | 2 to 5 key words that identify diagnoses or interventions in this case report, including "case report"                                                                                                                    | page2 line30-31  |
| Abstract (no references)   | 3a    | Introduction: What is unique about this case and what does it add to the scientific literature?                                                                                                                            | page2 line22-24  |
|                            | 3b    | Main symptoms and/or important clinical findings                                                                                                                                                                            | page2 line24-27  |
|                            | 3c    | The main diagnoses, therapeutic interventions, and outcomes                                                                                                                                                                 | page2 line22-27  |
|                            | 3d    | Conclusion—What is the main “take-away” lesson(s) from this case?                                                                                                                                                         | page2 line28-29  |
| Introduction               | 4     | One or two paragraphs summarizing why this case is unique (may include references)                                                                                                                                       | page7 line47-65  |
| Patient Information        | 5a    | De-identified patient specific information                                                                                                                                                                                 | page3 line32-44  |
|                            | 5b    | Primary concerns and symptoms of the patient                                                                                                                                                                                 | page4-5 line66-77|
|                            | 5c    | Medical, family, and psycho-social history including relevant genetic information                                                                                                                                         | page3-4 line47-64|
|                            | 5d    | Relevant past interventions with outcomes                                                                                                                                                                                   | page5-6 line83-100|
| Clinical Findings          | 6     | Describe significant physical examination (PE) and important clinical findings                                                                                                                                           | page5-6 line83-100|
| Timeline                   | 7     | Historical and current information from this episode of care organized as a timeline                                                                                                                                      | page4 line68-70  |
| Diagnostic Assessment      | 8a    | Diagnostic testing (such as PE, laboratory testing, imaging, surveys).                                                                                                                                                      | page5 line80-82  |
|                            | 8b    | Diagnostic challenges (such as access to testing, financial, or cultural)                                                                                                                                                   | page4 line62-64  |
|                            | 8c    | Diagnosis (including other diagnoses considered)                                                                                                                                                                             | page4 line62-64  |
|                            | 8d    | Prognosis (such as staging in oncology) where applicable                                                                                                                                                                   | page5 line88-95  |
| Therapeutic Intervention   | 9a    | Types of therapeutic intervention (such as pharmacologic, surgical, preventive, self-care)                                                                                                                                   | page6 line98-100 |
|                            | 9b    | Administration of therapeutic intervention (such as dosage, strength, duration)                                                                                                                                           | page5 line78-82  |
| Follow-up and Outcomes     | 10a   | Clinician and patient-assessed outcomes (if available)                                                                                                                                                                     | page6 line95-100 |
|                            | 10b   | Important follow-up diagnostic and other test results                                                                                                                                                                      | page6 line95-100 |
|                            | 10c   | Intervention adherence and tolerability (How was this assessed?)                                                                                                                                                    | page7-8 line132-138|
|                            | 10d   | Adverse and unanticipated events                                                                                                                                                                                          | page7-8 line132-138|
| Discussion                 | 11a   | A scientific discussion of the strengths AND limitations associated with this case report                                                                                                                                  | page6-8 line103-138|
|                            | 11b   | Discussion of the relevant medical literature with references                                                                                                                                                              | page6-7 line103-127|
|                            | 11c   | The scientific rationale for any conclusions (including assessment of possible causes)                                                                                                                                     | page5 line126-132|
|                            | 11d   | The primary “take-away” lessons of this case report (without references) in a one paragraph conclusion                                                                                                                   | page5-6 line132-138|
| Patient Perspective        | 12    | The patient should share their perspective in one to two paragraphs on the treatment(s) they received                                                                                                                     | Yes √ No □     |
| Informed Consent           | 13    | Did the patient give informed consent? Please provide if requested                                                                                                                                                       |                  |
