## Narrative Review Checklist

| Section/Topic       | Item No | Item                                                                 | Reported on Page Number(Line Number) | Reported on Section/Paragraph |
|---------------------|---------|----------------------------------------------------------------------|-------------------------------------|------------------------------|
| **TITLE**           |         |                                                                       |                                     |                              |
| Title               | 1       | Identify the report as a Narrative Review of …                       | Page 1, Lines 1-2                   | Title page                   |
| **ABSTRACT**        |         |                                                                       |                                     |                              |
| Unstructured summary| 2       | Provide an unstructured summary including, as applicable: background, objective, brief summary of narrative review and implications for future research, and clinical practice or policy development. | Page 2, Lines 22-43 | Abstract, Para 1-5 |
| **INTRODUCTION**    |         |                                                                       |                                     |                              |
| Rationale/background| 3       | Describe the rationale for the review in the context of what is already known. | Page 3, Lines 45-62 | Introduction, Para 1         |
| Objectives          | 4       | Specify the key question(s) identified for the review topic.         | Page 3, Lines 63-67 | Introduction, Para 2         |
| **METHODS**         |         |                                                                       |                                     |                              |
| Research selection  | 5       | Specify the process for identifying the literature search (eg, years considered, language, publication status, study design, and databases of coverage). | Page 4, Lines 68-76 | Methods, Para 1              |
| **DISCUSSION/SUMMARY** | 6    | Discuss: 1) research reviewed including fundamental or key findings, 2) limitations and/or quality of research reviewed, and 3) need for future research. | Pages 4-16, Lines 78-350 | Various subheadings          |
| Summary             | 7       | Provide an overall interpretation of the narrative review in the context of clinical practice and/or the Nutrition Care Process for registered dietitian nutritionists, clinical practice for other health professionals, policy development and implementation, or future research. | Pages 16-18, Lines 352-393 | Summary, Para 1-4 |
