# Data Sharing Statement

| Item | Question                                                                                                                                                                                                 | Authors’ Response (place “-” if not applicable)                                                                 |
|------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------|
| 1    | Would you like to share data collected for your study to others?                                                                                                                                              | Yes.                                                                                                               |
| 2    | If not, would you like to share the reason for your decision?                                                                                                                                               | -                                                                                                                  |
| 3    | What data in particular will be shared?                                                                                                                                                                      | The survival data, Pathological data etc.                                                                          |
| 4    | Any other documents will be shared? Such as study protocol, statistical analysis plan, informed consent form, clinical study report, analytic code.                                                                 | Statistical analysis methods, informed consent form, will also be shared if requested.                           |
| 5    | When will data availability begin?                                                                                                                                                                           | From the publication date.                                                                                        |
| 6    | When will data availability end?                                                                                                                                                                            | Two years within the publication date.                                                                             |
| 7    | To whom will you share the data?                                                                                                                                                                            | Medical oncologists.                                                                                            |
| 8    | For what type of analysis or purpose?                                                                                                                                                                       | For analysis.                                                                                                     |
| 9    | How or where can the data/documents be obtained?                                                                                                                                                             | Emails could be sent to the address below to obtain the shared data: jianhua82@sina.com                          |
| 10   | Any other restrictions?                                                                                                                                                                                      | We may balance the potential benefits and risks for each request and then provide the data that could be shared. |
