ICMJE DISCLOSURE FORM

Date:______30 April 2021____  
Your Name: ___Kanishka Rangamuwa___  
Manuscript Title: ______Increase in tumour PD-L1 expression in non-small cell lung cancer following bronchoscopic thermal vapour ablation____  
Manuscript number (if known):_TLCR-21-76_________________________________________________________

In the interest of transparency, we ask you to disclose all relationships/activities/interests listed below that are related to the content of your manuscript. “Related” means any relation with for-profit or not-for-profit third parties whose interests may be affected by the content of the manuscript. Disclosure represents a commitment to transparency and does not necessarily indicate a bias. If you are in doubt about whether to list a relationship/activity/interest, it is preferable that you do so.

The following questions apply to the author’s relationships/activities/interests as they relate to the current manuscript only.

The author’s relationships/activities/interests should be defined broadly. For example, if your manuscript pertains to the epidemiology of hypertension, you should declare all relationships with manufacturers of antihypertensive medication, even if that medication is not mentioned in the manuscript.

In item #1 below, report all support for the work reported in this manuscript without time limit. For all other items, the time frame for disclosure is the past 36 months.

|   | Name all entities with whom you have this relationship or indicate none (add rows as needed) | Specifications/Comments (e.g., if payments were made to you or to your institution) |
|---|-------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------|
|   | Time frame: Since the initial planning of the work                                                                                     |                                                                                                                                 |
| 1 | All support for the present manuscript (e.g., funding, provision of study materials, medical writing, article processing charges, etc.) | _X__None                                                                            |
|   | No time limit for this item.                                                                                                          |                                                                                   |

|   | Time frame: past 36 months                                                                                                          |                                                                                                                                 |
| 2 | Grants or contracts from any entity (if not indicated in item #1 above).                                                           | _X__None                                                                            |

ICMJE DISCLOSURE FORM

Date:____30 April 2021____
Your Name: ___Michael Christie___
Manuscript Title: ______Increase in tumour PD-L1 expression in non-small cell lung cancer following bronchoscopic thermal vapour ablation____
Manuscript number (if known):_TLCR-21-76________________________________________

In the interest of transparency, we ask you to disclose all relationships/activities/interests listed below that are related to the content of your manuscript. “Related” means any relation with for-profit or not-for-profit third parties whose interests may be affected by the content of the manuscript. Disclosure represents a commitment to transparency and does not necessarily indicate a bias. If you are in doubt about whether to list a relationship/activity/interest, it is preferable that you do so.

The following questions apply to the author’s relationships/activities/interests as they relate to the current manuscript only.

The author’s relationships/activities/interests should be defined broadly. For example, if your manuscript pertains to the epidemiology of hypertension, you should declare all relationships with manufacturers of antihypertensive medication, even if that medication is not mentioned in the manuscript.

In item #1 below, report all support for the work reported in this manuscript without time limit. For all other items, the time frame for disclosure is the past 36 months.

|   | Name all entities with whom you have this relationship or indicate none (add rows as needed) | Specifications/Comments (e.g., if payments were made to you or to your institution) |
|---|-------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------|
|   |                                                                                                 |                                                                                  |
|   | Time frame: Since the initial planning of the work                                               |                                                                                  |
| 1 | All support for the present manuscript (e.g., funding, provision of study materials, medical writing, article processing charges, etc.) | _X_ None                                                                         |
|   | No time limit for this item.                                                                     |                                                                                  |
| 2 | Grants or contracts from any entity (if not indicated in item #1 above).                        | _X_ None                                                                         |
| 3 | Royalties or licenses                                                                            | _X_ None                                                                         |
