Correction: Applications and Comparisons of Four Time Series Models in Epidemiological Surveillance Data

The PLOS ONE Staff

The name of a funding organization in the Funding statement is incorrect. The Funding statement should read: “The research is funded by National science and technology major special project "Data mining and analysis of the surveillance data of five syndrome pathogen (grant no. 2012ZX10004201-006)." The funders had no role in study design, data collection and analysis, decision to publish, or preparation of the manuscript.”
