Atli, Ugur; Guleryuz, Omer
A solution to the de Sitter swampland conjecture versus inflation tension via supergravity.
(English)  Zbl 07470291  
J. Cosmol. Astropart. Phys. 2021, No. 4, Paper No. 27, 13 p. (2021)

MSC:
83-XX  Relativity and gravitational theory

Keywords:
inflation; string theory and cosmology; supersymmetry and cosmology

Full Text: DOI

This reference list is based on information provided by the publisher or from digital mathematics libraries. Its items are heuristically matched to zbMATH identifiers and may contain data conversion errors. It attempts to reflect the references listed in the original paper as accurately as possible without claiming the completeness or perfect precision of the matching.
