JRSM/JRSM Open patient consent form

For a patient’s consent to publication of information about them in the JRSM/JRSM Open and in associated RSM Press publications and products.

Name of person described in article or shown in photograph: Mrs Janice Hope

Subject matter of photograph or article: Finger bleed of right index finger and palm of the hand

RSM Press manuscript number__JRSMO-20-046__

Title of article: Achenbach’s hand and digital paroxysmal haematomas: A possible association with joint hypermobility syndrome in two sibling cases.

Corresponding author: Robert AC CHATE

I, Janice Hope give my consent for this information about MYSELF relating to the subject matter above (“the Information”) to appear in the JRSM and associated publications.*

I have seen and read the material to be submitted to the JRSM/JRSM Open

I understand the following:

(1) The information will be published without my name attached and the JRSM/JRSM Open will make every attempt to ensure my anonymity. I understand, however, that complete anonymity cannot be guaranteed. It is possible that somebody somewhere – perhaps, for example, somebody who looked after me if I was in hospital or a relative – may identify me.

(2) The text of the article will be edited for style, grammar, consistency and length.

(3) *The Information may also be used in full or in part in other publications and products published by RSM Press. This includes publication in English and in translation, in print, in electronic formats, and in any other formats that may be used by RSM Press now and in the future.

(4) RSM Press will not allow the information to be used for advertising or packaging or to be used out of context (for example, a photograph will not be used to illustrate an article that is unrelated to the subject of the photograph).

(5) I can revoke my consent at any time before publication, but once the information has been committed to publication (‘gone to press’) it will not be possible to revoke the consent.
