# Narrative Review Checklist

| Section/Topic | Item No | Item | Reported on Page Number/Line Number | Reported on Section/Paragraph |
|---------------|---------|---------------------------------|-----------------------------|-------------------------------|
| **TITLE**     |         |                                 |                             |                               |
| Title         | 1       | Identify the report as a Narrative Review of … | 1 /1 | Title page |
| **ABSTRACT**  |         |                                 |                             |                               |
| Unstructured summary | 2 | Provide an unstructured summary including, as applicable: background, objective, brief summary of narrative review and implications for future research, and clinical practice or policy development. | 2/ 28-46 | Abstract |
| **INTRODUCTION** |         |                                 |                             |                               |
| Rationale/background | 3 | Describe the rationale for the review in the context of what is already known. | 3-6/ 49-117 | Introduction |
| Objectives    | 4       | Specify the key question(s) identified for the review topic. | 6/ 118-121 | Objectives |
| **METHODS**   |         |                                 |                             |                               |
| Research selection | 5 | Specify the process for identifying the literature search (eg, years considered, language, publication status, study design, and databases of coverage). | 6/ 122-124 | Methods |
| **DISCUSSION/SUMMARY** |         |                                 |                             |                               |
| Narrative     | 6       | Discuss: 1) research reviewed including fundamental or key findings, 2) limitations and/or quality of research reviewed, and 3) need for future research. | 6-17/ 125-359 | Narrative |
| Summary       | 7       | Provide an overall interpretation of the narrative review in the context of clinical practice and/or the Nutrition Care Process for registered dietitian nutritionists, clinical practice for other health professionals, policy development and implementation, or future research. | 17-18/ 360-366 | Conclusions |
