Correction to: Drivers of HIV-1 drug resistance to non-nucleoside reverse-transcriptase inhibitors (NNRTIs) in nine southern African countries: a modelling study

Julien Riou1*, Carole Dupont1, Silvia Bertagnolio2, Ravindra K. Gupta3,4, Roger D. Kouyos5,6, Matthias Egger1,7,8 and Christian L. Althaus1

Correction to: BMC Infect Dis (2021) 21:1042 
https://doi.org/10.1186/s12879-021-06757-6

Following publication of the original article [1], it was noted that the Supplementary file was missing.

Additional file 1 can be found in this Correction article (Additional file 1).

The original article has been corrected as well.

Supplementary Information
The online version contains supplementary material available at https://doi.org/10.1186/s12879-021-06791-4.

Additional file 1. Additional details about the data and the model.
