CONTENTS

Patient Safety & Quality
66 Necessity is the mother of invention: an innovative hospitalist-resident initiative for improving quality and reducing readmissions from skilled nursing facilities
Sunny Petigara, Mahesh Krishnamurthy and David Livert

Review Perspective
70 Nephrology key information for internists
Sohail Abdul Salim, Juan A. Medaura, Bharat Malhotra, Vishnu Garla, Shradha Ahuja, Nicki Lawson, Amaleswari Pamarthy, Hardik Sonani, Karthik Kovvuru and Venkataraman Palabindala

Research Articles
73 Dizziness in a community hospital: central neurological causes, clinical predictors, and diagnostic yield and cost of neuroimaging studies
Hussam Ammar, Rukma Govindu, Ragai Fouda, Wael Zohdy and Emilio Supsupin

79 Quality improvement for HIV screening in a primary care resident clinic
Tracey Doering, Sagal Mohamed, Laura Hollar and Zachary Pugh

82 Barriers in accessing care services for physically disabled in a hospital setting in Riyadh, Saudi Arabia, cross-sectional study
Fatimah MohammedAli Alkawai and Abdullah Saad Alowayyed

87 Prevalence of QT prolongation and associated LVEF changes in diabetic patients over a four-year retrospective time period
Zhongju Lu, Lloyd Lense, Mohit Sharma, Ankit Shah, Ying Luu, Lucien Cardinal, Joan Faro and Alan Kaell

Case Reports
95 Hypersensitivity pneumonitis: an overlooked cause of cough and dyspnea
Ryan S. D’souza and Anthony Donato

100 Acute intermittent porphyria: a test of clinical acumen
Rashmi Dhital, Sijan Basnet, Dilli Ram Poudel and Khema Raj Bhusal

103 Thyrotoxic periodic paralysis: a case study and review of the literature
Marcelle Meseeha, Behnaz Parsamehr, Kerri Kissell and Maximos Attila

107 Danon disease for the cardiologist: case report and review of the literature
Ryan S. D’souza, Luisa Mestroni and Matthew R. G. Taylor

115 A classic case of arrhythmogenic right ventricular cardiomyopathy (ARVC) and literature review
Htun Latt, Thein Tun Aung, Chanwit Roongsritong and David Smith

122 A rare case of apical hypertrophic cardiomyopathy (AHCM)
Seyed Abbas Mirabbasi, Koroush Khalighi, Suresh Muckamala and Archana Kodali

126 A rare case of aerococcus urinae infective endocarditis
Harsha Tathireddy, Sahitya Settypalli and John J Farrell

130 Non-ST elevation myocardial infarction secondary to carbon monoxide intoxication
Danuta Jankowska, Venkataraman Palabindala and Sohail Abdul Salim

134 There may be more than meets the eye with Clostridium perfringens bacteremia
Stephen Melnick, Salik Nazir, Brian Chwiecko and Benjamin Lloyd

Clinical Image
136 Images in clinical medicine: Tophi
Amr Salama and Richard Alweis
