**GUIDELINES**

| Item                                                                 | Yes | No/Not Applicable |
|----------------------------------------------------------------------|-----|-------------------|
| BJU International Author Guidelines. We have read and adhere to the Author Guidelines | ☑️  |                   |
| BJU International How to write a Manuscript. We have read BJUI’s Advice on preparing a scientific manuscript | ☐️  | ☐️                |
| Plagiarism check. We accept that our manuscript may be screened for plagiarism against previously published work | ☑️  |                   |
| Declaration of Interests. We include a full statement of declaration of interests for all authors | ☑️  |                   |
| Ethics. We adhere to Best Practice Guidelines on Publication Ethics | ☑️  |                   |
| References. References conform to the Vancouver style                | ☑️  |                   |
| Funding (if applicable). We include information regarding research funding | ☐️  | ☑️                |
| Reporting of complications (if applicable). We have used the Clavien-Dindo classification of surgical complications and follow the EAU guideline recommendations (please see Author Guidelines for details) | ☐️  | ☑️                |

**REPORTING STATISTICS, TABLES AND FIGURES**

| Item                                                                 | Yes | No/Not Applicable |
|----------------------------------------------------------------------|-----|-------------------|
| Reporting Statistics. We have read and adhere to the BJU International Guidelines for Reporting Statistics | ☐️  | ☐️                |
| We adhere to Rule 2.1. We follow existing Reporting Guidelines for the type of study we are reporting (e.g., CONSORT for RCTs, PRISMA and AMSTAR for Systematic Reviews, STROBE for observational studies, ReMARK for marker studies). Reporting guidelines and templates for checklists and flow charts can be downloaded from the Equator Web site | ☐️  | ☐️                |
| Reporting Figures and Tables. We have read and adhere to the BJU International Guidelines for Reporting of Figures and Tables | ☐️  | ☐️                |
| COVER LETTER                                                                 | Yes | No/Not Applicable |
|------------------------------------------------------------------------------|-----|-------------------|
| We include a cover letter                                                   | ☑️  |                   |
| The cover letter summarizes the key message of the manuscript               | ☑️  |                   |
| The cover letter confirms that the paper has not been submitted elsewhere   | ☑️  |                   |
| The cover letter includes any additional pertinent information              | ☐️  | ☐️                |
| **Patient consent form for videos** (if applicable). The corresponding author confirms in the covering letter that a signed release form has been received from each patient videoed authorizing the offline and/or online distribution of this video material | ☑️  | ☐️                |

### BJU International has 9 different Article Types.
Please choose the one that applies to your submission:

| Article Type                                      | Yes |
|--------------------------------------------------|-----|
| (1) Original Article                             | ☑️  |
| (2) Review Article                               | ☐️  |
| (3) Comment Article                              | ☐️  |
| (4) Research Communication                       | ☐️  |
| (5) Step-by-Step Article                         | ☐️  |
| (6) Case of the Month (by invitation only)       | ☐️  |
| (7) Editorial (only commissioned by the Editor)   | ☐️  |
| (8) Trainees’ Corner (contact the Editorial Office) | ☐️  |
| (9) Letter to the Editor                         | ☐️  |
| Article Type | Information |
|--------------|-------------|
| **Original Article** |  |
| **Word count**: max 4000 words | ✓ |
| **Abstract format**: Objectives; Subjects/patients (or materials) and methods; Results; Conclusion | ✓ |
