Erratum to: Assessing the reporting of categorised quantitative variables in observational epidemiological studies

Onkabetse V. Mabikwa1*, Darren C. Greenwood1, Paul D. Baxter1 and Sarah J. Fleming2

Erratum

Upon publication of the original article [1], it was noticed that on page 3 in Fig. 1, the textbox appearing with the word “methodological” should read “Identification”. This has now been acknowledged and corrected in this erratum. This has now been incorporated in the new Fig. 1 shown below.
