S2 Table – Data sources for crew size estimates. Estimates from these sources were combined with number of licences (from DFO: http://www.dfo-mpo.gc.ca/stats/commercial/licences-permis/species-especies/se00-eng.htm) in the fisheries to arrive at an estimate of primary employment (except for shrimp, where primary employment numbers were derived directly from the industry report).

| LOBSTER          | CRAB                         | SHRIMP                          | SCALLOP                          | CLAM                          |
|------------------|------------------------------|---------------------------------|----------------------------------|-------------------------------|
| **NB – GULF**    | DFO Costs and Earnings Survey (2004) | DFO Costs and Earnings Survey (2004) | Gardner-Pinfold consulting (shrimp - 2006) | No data, used average crew size from other regions |
| **NB – MAR**     | DFO Costs and Earnings Survey (2004) | Gardner-Pinfold consulting (crab - 2006) | Gardner-Pinfold consulting (shrimp - 2006) | No data, used average crew size from other regions |
| **NEWFOUNDLAND + LABRADOR** | No data, used average crew size from other regions | DFO Costs and Earnings Survey (2004) | Gardner-Pinfold consulting (shrimp - 2006) | No data, used average crew size from other regions |
| **NS – GULF**    | DFO Costs and Earnings Survey (2004) | DFO Costs and Earnings Survey (2004) | Gardner-Pinfold consulting (shrimp - 2006) | No data, used average crew size from other regions |
| **NS – MAR**     | DFO Costs and Earnings Survey (2004) | Gardner-Pinfold consulting (crab - 2006) | Gardner-Pinfold consulting (shrimp - 2006) | DFO Costs and Earnings Survey (2004) | Michael Gardner – personal communication |
| **PEI**          | DFO Costs and Earnings Survey (2004) | DFO Costs and Earnings Survey (2004) | Gardner-Pinfold consulting (shrimp - 2006) | No data, used average crew size from other regions |
| **QUE**          | DFO Costs and Earnings Survey (2004) | DFO Costs and Earnings Survey (2004) | Gardner-Pinfold consulting (shrimp - 2006) | No data, used average crew size from other regions |
