Erratum to: Trend of determinants of birth interval dynamics in Bangladesh

Jahidur Rahman Khan1*, Wasimul Bari2 and A. H. M. Mahbub Latif1,3

Erratum
During the processing of this article [1], the following typographical error occurred on page 3: \( u_i \) was incorrectly introduced:

1. inside the exponent in the definition of \( S_j(t|X_{ij}, u_i) \) following Eq. 3; this should read:

\[
S_j(t|X_{ij}, u_i) = \exp\left(- \int_0^t h_j(x|X_{ij}, u_i) \, dx\right) = \exp\left(-H_0(t)u_i \beta' X_{ij}\right)
\]

2. inside the exponent in Eq. 4; this should read:

\[
L_{m,j}(\phi, \theta, \beta) = \prod_{j=1}^n \int_0^{\infty} \left[ h_0(t_{ij}) u_i \exp(\beta' X_{ij}) \right]^{d_{ij}} \times S_j(t_{ij}|X_{ij}, u_i) g(u_i; \theta) \, du_i
\]

3. Twice in Eq. 5; this should read:

\[
l_m(\phi, \theta, \beta) = \sum_{i=1}^K \left[ \log f\{(1/\theta) + d_i\} + \sum_{j=1}^n d_{ij} \left( \beta' X_{ij} + \log\left(\gamma_{ij}^{-1}/\alpha^i\right) \right) - \log f(1/\theta) + d_i \log \theta - \{(1/\theta) + d_i\} \right. \\
\left. \times \log \left(1 + \theta \sum_{j=1}^n (t_{ij}/\alpha)^{d_{ij}} \exp(\beta' X_{ij})\right) \right]
\]
