Erratum: Steady State Ocean Response to Wind Forcing in Extratropical Frontal Regions

Meghan F. Cronin & Tomoki Tozuka

Scientific Reports 6:28842; doi: 10.1038/srep28842; published online 29 June 2016; updated 01 August 2016

In the HTML version of this Article, there is a typographical error in the Introduction section,

“We call this the “effective wind stress”:

\[ \tau_{\text{eff}} = \tau_0 - \tau_p \]  

(1)

where \( \tau_p = \rho_0 \frac{\partial }{\partial z} (\hat{\varepsilon} \times \mathbf{b}) \) is the stress associated with the pressure gradient-induced geostrophic shear, referred to hereinafter as the geostrophic shear stress."

should read:

“We call this the “effective wind stress”:

\[ \tau_{\text{eff}} = \tau_0 - \tau_p \]  

(1)

where \( \tau_p = \rho_0 \frac{\partial }{\partial z} (\hat{\varepsilon} \times \mathbf{b}) \) is the stress associated with the pressure gradient-induced geostrophic shear, referred to hereinafter as the geostrophic shear stress.”
