Population Pharmacokinetic Analysis of Quizartinib in Healthy Volunteers and Patients With Relapsed/Refractory Acute Myeloid Leukemia

Kang et al

SUPPLEMENTARY APPENDIX
Supplementary Figure 1. Goodness-of-Fit Plots for the Final Population Pharmacokinetic Model for Quizartinib in Healthy Volunteers Stratified by Dose. IWRES, individual weighted residuals.
Supplementary Figure 2. Goodness-of-Fit Plots for the Final Population Pharmacokinetic Model for Quizartinib in Patients With AML Stratified by Dose. IWRES, individual weighted residuals.
Supplementary Figure 3. Goodness-of-fit Plots for the Final Population Pharmacokinetic Model for AC886 in Healthy Volunteers Stratified by Dose. IWRES, individual weighted residuals.
Supplementary Figure 4. Goodness-of-Fit Plots for the Final Population Pharmacokinetic Model for AC886 in Patients With AML Stratified by Dose. IWRES, individual weighted residuals.
